- 1.5 The Company and the Union recognize that it is in the best interests of both Parties, the employees and the public that all dealings between them be and continue to be characterized by mutual responsibility and respect. To

ensure that this relationship continues and improves, the Company and the Union and their respective representatives at all levels shall apply the terms of this Agreement fairly, in accord with its intent and meaning. The parties commit to conduct themselves in a spirit of mutual responsibility and respect. This section is not subject to grievance procedures in Articles 6, 7 and 8.

ARTICLE 2 EEO AND ANTI-HARASSMENT COMMITMENT

- 2.1 Company will provide equal employment opportunities to all persons regardless of race, color, religion, ancestry, sex, national origin, marital or veteran status, physical or mental disability, age, or any status otherwise protected under applicable federal, state, or local law, unless it is a bona fide occupational requirement reasonably necessary to its operations.
- 2.2 Company will provide a working environment free from all forms of unlawful harassment including, but not limited to, harassment based on the statuses recognized in Section 2.1.
- 2.3 An employee who is subjected to, witnesses, or suspects any violation of Sections 2.1 or 2.2 shall immediately report the matter directly to Human Resources.
- 2.4 The words "he" or "she" are used in this Agreement and any Appendices for explanatory purposes only and do not refer to the actual sex of any person.

ARTICLE 3
GENERAL OBLIGATIONS OF THE PARTIES

- 3.1 There shall be no discrimination on the part of either the Company or the Union against any employee(s) because of the individual's affiliation with the Union or because the individual does not affiliate with or take membership in the Union.
- 3.2 Union Activity on Company Property - Neither the Union nor its members shall carry on Union activities during time when any of the employees involved is on duty. Insofar as this provision is concerned, relief periods and lunch periods are not considered as time of duty.
- 3.3 Union Responsibility - The Union agrees for the employees covered hereby that individually and collectively they will perform loyal and efficient work and service, and that they will use their influence and best efforts to protect the property and interests of the Company, its good name, and its service to the public.
- 3.4 Management Responsibility - It is the responsibility of the Company to manage the business and direct the work force consistent with the terms and conditions contained in the Collective Bargaining Agreement, but those matters not covered by this Agreement are the responsibility of management. This shall include, but not be limited to, determining the size of the work force and the number of employees needed at any particular time or place; using improved methods, material or equipment; determining work assignments and tours; developing and administering work standards and performance requirements; and being the sole judge of the quality and acceptability of communications services rendered to the public. All other customary management rights shall be reserved solely by the Company.
- 3.4.1 The Company acknowledges a policy that management employees will not perform substantial productive work of the same type or nature as normally assigned bargaining unit employees as covered in Exhibit I, of this Agreement. It is understood, however, that it is a normal function of

management to perform productive work under conditions of emergencies, enforcement of safety practices, inspection of work completed by bargaining unit employees, work incidental to the training of employees, work as may be required to meet the demands of service and when a qualified employee is not available or cannot be assigned with reasonable dispatch.

- 3.4.2 Company may from time to time establish, change and/or withdraw such work and safety policies and rules as it deems necessary or appropriate including, but not limited to, policies and rules governing attendance, family and medical leave, unlawful harassment and discrimination, personal appearance and dress, conflicts of interest, visitors, outside employment, smoking, performance evaluations, personnel files and records, confidentiality and confidential information, alcohol and drugs, use of vehicles on Company business, and reimbursement for business-related expenses.

Company will provide the local Union President with copies of such policies and rules (or any changes) at least ten (10) calendar days prior to implementation unless earlier implementation is mandated by federal, state or local legislation or regulations. Union may file a grievance at Step 2 of the Grievance Procedure if it believes any such policies, rules or changes are inconsistent with any specific provision of this Agreement, but any such grievance must be filed no later than ten (10) days after its effective date.

- 3.4.3 The Company **shall** notify the Union **immediately** of employees hired **or separated from the Company for any reason**, their report center, job **title**, status, and rate of pay.

ARTICLE 4 UNINTERRUPTED SERVICE TO CUSTOMERS

- 4.1 During the term of this Agreement, Union and its agents, representatives and officers, and all employees who are

covered by this Agreement, as individuals and as a group, will not authorize, cause, assist, participate, acquiesce in, or encourage any strike, work stoppage, sick-out, slowdown, picketing, or any similar disruption or restriction of work on, in or at any of the Company's premises or locations where Company employees are working. This specifically includes "sympathy" strikes and the observance of picket lines, signs, or appeals from any labor organization engaged in any such activities, except in situations where an employee has a reasonable objective belief of bodily harm, they will immediately notify their supervisor or Human Resources.

- 4.2 During the term of this Agreement, the Company will not cause or engage in any lockout of its employees.
- 4.3 Any employee engaging in any activity in violation of Section 4.1 may be subject to immediate disciplinary action, including discharge, and the only issue reviewable through the grievance procedure will be whether the employee in fact violated its provisions.
- 4.4 Nothing in this Article shall be interpreted to preclude recourse to any other available judicial or administrative remedies.

ARTICLE 5 JOINT CONFERENCE PROCEDURES

- 5.1 The Company and the Union, through their certified representative shall respectively keep each other informed of the personnel who are authorized to represent them.
- 5.2 Meetings between designated representatives of the Company and the Union shall be subject to call upon reasonable notice to either party to this Agreement, and both parties agree to notify the other party of the subjects to be discussed at a joint conference wherever it is practical to do so.
- 5.3 When it is mutually agreed, minutes shall be kept of joint conferences held between representatives of the Union and the Company. This shall include joint meetings held for the purpose of adjusting grievances or differences. Subjects

discussed and conclusions reached during the course of the negotiations shall be placed in form suitable for use in the minutes before the meeting adjourns. Before publication, the minutes shall be approved jointly by the ranking Union and Company representatives.

- 5.4 The Company and the Union shall individually bear the cost of reproducing sufficient copies of joint conference minutes to meet their respective requirements.

ARTICLE 6 GRIEVANCE PROCEDURE

- 6.1 A grievance is a complaint by an employee or group of employees for whom the Union is the bargaining agent that arises during the term of the agreement, involving the interpretation or application of any of the provisions of this Agreement or a complaint that an employee has, in any manner, been unfairly treated by the Company. All grievances shall be presented in writing and all replies to grievances given by Management shall likewise be in writing. **The Company shall include all relevant data from the grievance in their grievance response.** Past practices and/or policies of any prior owners or managers of the exchanges covered by this Agreement shall not be binding on either party for any purpose, and only practices and/or policies of this company shall be binding.
- 6.2 The grievance shall briefly describe in substance the specific matters complained of but in sufficient detail that dates, time if pertinent, occurrences, and the nature of the circumstances causing the grievance can be identified readily. The names and locations of employees concerned shall also be given where the grievance relates to specific employees as opposed to a general complaint. There shall also be a statement as to the specific section(s) of this Agreement believed to have been violated or misinterpreted and the desired remedy.
- 6.3 No grievance shall be eligible for handling hereunder unless filed in compliance with Section 6.2 within ten (10) working days (a) after the event out of which such grievance shall have arisen; or (b) after the date on which the fact that a

grievance existed became known (or reasonably should have become known) to the employee or the Union and is thereafter timely appealed to the various steps of the procedure.

- 6.4 This shall be the exclusive procedure and remedy involving any alleged violation of this Agreement. Except as otherwise provided in this Agreement, all grievances filed after the effective date of this Agreement involving alleged violations occurring during its term will be submitted according to the following procedures and time limits:

Step 1 - Supervisor

The grievance is submitted to the supervisor who will provide a written response within ten (10) working days after he or she receives the written grievance. If the supervisor or designee does not provide a timely written response, the grievance automatically moves to Step 2.

Step 2 - Manager

If the grievance is not resolved at Step 1, Union may refer the grievance to the Local Manager by making a written request within ten (10) working days after receiving the supervisor's Step 1 response. The Local Manager or departmental designee shall issue a written response within ten (10) working days following receipt of the request. If the Local Manager or departmental designee does not provide a timely written response, the grievance automatically moves to Step 3.

Step 3 - Manager, Labor Relations

If the grievance is not resolved at Step 2, Union may refer the grievance in writing to the Manager, Labor Relations by making a written request within ten (10) working days after receiving the Step 2 response. The Manager, Labor Relations or designee shall issue a written response within ten (10) working days following receipt of the request. If a timely written response to the grievance is not provided, Union may move the grievance to arbitration by timely following the procedure in Section 8.1.

- 6.4.1 Grievance meetings will be held as expeditiously as possible and may be heard via conference call, but no later than ten (10) working days after receipt of either the original grievance or an answer to a grievance.
- 6.4.2 If the grievance is not timely submitted by the Union to the next level as outlined in this Article, it shall not be eligible for further appeal.
- 6.5 Once a grievance has been presented by the Union to the Company, representatives of the Company shall not discuss the grievance with the aggrieved employee or employees without affording the appropriate Union representative an opportunity to be present.
- 6.6 Nothing in this Article shall prevent an employee or group of employees from presenting grievances directly to the Company; however, if any grievance presented by an employee or group of employees involves a question of interpretation or application of this Agreement, which upon determination may establish a precedent, or a question involving a matter appropriate for collective bargaining, the Company shall immediately notify the Union and the Union shall be entitled to be present and participate in the discussions and disposition of such grievances.
- 6.7 "Working days" as used in this Article shall not include Saturdays, Sundays or holidays. The time periods specified in this Article may be extended or modified by mutual consent in writing.
- 6.8 Pay shall be allowed for attendance at grievance meetings during employees' scheduled tours for a maximum of two (2) employees.

ARTICLE 7 GRIEVANCE MEDIATION

- 7.1 The mediation procedures herein will only apply to disciplinary action consisting of suspensions of one (1) day or

more and discharges which are specifically subject to arbitration.

- 7.2 After the filing of the request for arbitration, in accordance with Article 8, the parties may agree to use this mediation process.
- 7.3 The parties will proceed to select a mediator and establish a mediation conference at the earliest date feasible to all concerned.
- 7.4 The mediation conference will be held in a mutually agreed location.
- 7.5 Should the availability of the mediator unnecessarily delay the processing of the grievance in the opinion of either party, another mediator may be selected, or the mediation process may be bypassed, and the grievance pursued to arbitration.
- 7.6 Each party shall have one principal spokesperson at the mediation. An attorney will not be used by either party at the mediation conference.
- 7.7 The mediation conference will normally be attended by the grievant, the Local President and those people actually involved in the mediation conference. The number of employees who shall suffer no loss in pay shall be no more than three (3). Should additional employees be necessary for the complete discovery of facts at the conference, the parties will agree in advance on the number of additional employees who will attend the conference and suffer no loss in pay.
- 7.8 Any written material that is presented to the mediator or to any other party shall be returned to the party presenting the material at the termination of the mediation conference.
- 7.9 Proceedings before the mediator shall be informal in nature. Normally the evidence presented would be that discussed during the grievance procedure. The rules of evidence shall not apply, and no record of the mediation conference shall be made.

- 7.10 The mediator will have the authority to meet separately with any person or persons but will not have the authority to compel the resolution of a grievance.
- 7.11 The Company and the Union spokespersons may accept or reject the resolution proposed by the mediator and such settlement or any other settlement agreement resulting from the conference shall not be precedent setting, unless both parties agree.
- 7.12 If no settlement is reached the mediator shall provide the parties with an immediate oral advisory opinion, unless both parties agree that no opinion shall be provided.
- 7.13 If no settlement is reached at mediation, the Union is free to arbitrate, provided that the Union requests arbitration within ten (10) workdays following the conclusion of mediation by following the procedures in Article 8.1.
- 7.14 In the event that a grievance which has been mediated subsequently is arbitrated, no person serving as a mediator between these parties may serve as arbitrator for the same grievance. In the arbitration proceedings there shall be no reference to the fact that a mediation conference was or was not held and there shall be no reference to, or use made of any statements, oral or written, or of things done at the mediation conference.
- 7.15 The fees and expenses of the mediator shall be shared equally by the parties.

ARTICLE 8 ARBITRATION

- 8.1 A grievance which has not been satisfactorily settled after it has been presented in writing and processed completely through the Grievance Procedure may be submitted to arbitration by the Union during the term of the agreement by submitting a written request for a panel of seven (7) members of the National Academy of Arbitrators with their principal place of residence in Wisconsin, Michigan and Minnesota to the Federal Mediation & Conciliation Service, with a copy to the Company's Vice President, Employee & Labor Relations,

within thirty (30) workdays of the Company answer (or any default in answering) at the third step.

8.2 The Company and Union may attempt to agree on a neutral arbitrator in lieu of using the FM&CS list, and with mutual agreement may submit multiple grievances to the same arbitrator. Within ten (10) calendar days of receiving the list, the moving party will contact the other party to select the arbitrator. The parties will alternately strike names from the list, with the moving party striking the first name, until one name remains, and he/she shall serve as arbitrator.

8.2.1 It is mutually agreed that neither the Union nor the Company shall take any steps or inaugurate any proceedings to stay the arbitration on any grievance except and exclusively for the following reasons:

8.2.1.1 That the grievance procedure under the contract has not been exhausted.

8.2.1.2 That the grievance is expressly excluded from arbitration by the terms of the contract.

8.2.2 All proceedings under this Article shall be carried on as expeditiously as possible.

8.2.3 The arbitrator shall not possess authority to assess damage or punitive payments against either party to the other. In rendering a decision, the arbitrator shall be confined to the specific issue or issues.

8.2.4 The arbitrator shall have no authority to add to, subtract from, or reform the provisions of the contract between the parties.

8.2.5 Where the issue submitted to Arbitration involves the payment of money to an employee retroactively or otherwise, the Arbitrator shall have the authority to include in the award a direction for the payment of money retroactively or otherwise but limited to making the employee whole and no more. With respect to wages "make whole" means reimbursing the individual for the basic wages they would have

made if employment had been continuous, less wages, from any source, Workers' Compensation, Unemployment Compensation, or other monetary compensation which the employee would not have been eligible for had the employee not been suspended or discharged, during that period. In situations where the Company has allowed the Union additional time for its internal appeal process, it is also understood that the Company shall assume no back pay or other grievance liability for that time and the Union will also be obligated to notify the Company of the outcome of such process within five (5) working days of its conclusion. If the appeal is upheld, the Union shall then request hearing dates from the arbitrator previously selected under Section 8.2 and the Company's grievance liability will resume as of the date of that request. However, if the Union has not informed the Company of the outcome of the internal appeal process within sixty (60) calendar days of the Union request to exhaust its internal process, or the process has not been completed within the sixty (60) calendar days, the grievance shall automatically be deemed resolved in the Company's favor.

- 8.2.6 Either party may require that an official record of the proceedings be prepared by a professional reporter and that a copy be provided to the arbitrator. The party requiring an official record of the proceedings will pay the full cost of all reporting and transcript fees unless the other party requests a copy or the right of inspection or use, in which event the full cost shall be equally divided between the parties.
- 8.2.7 Each party shall bear the expense of preparing and presenting its own case, including any attorneys' fees. The compensation and expenses of the arbitrator and the incidental expenses of the arbitration proceeding mutually agreed to in advance shall be borne equally by the Company and the Union.

- 8.2.8 The parties may mutually agree (in writing) to extend the time periods set forth in Article 8 of this agreement.

**ARTICLE 9
ABSENCES OF UNION OFFICERS AND
REPRESENTATIVES FOR UNION ACTIVITIES**

- 9.1 Subject to the rules and regulations of the National Labor Relations Board and such legislation as may apply, the Company agrees to permit officers and representatives of the Union to attend Union meetings and conventions and otherwise carry out their Union duties, provided the Company is given reasonable notice of the request, a qualified replacement can be made available, and that such absences shall not exceed what is considered reasonable as determined by the Department Head of the Company. Unless otherwise agreed to, such time off shall not be paid for by the Company.
- 9.2 A leave of absence to assume Union activities on a full-time basis may be granted by the Company for a period of up to three (3) years. At the end of the initial leave period, the employee may request an additional leave subject to the approval of the Company. Leaves of absence for Union activities may not exceed a total of six (6) years.

A leave of absence to assume "local" union activities on a full-time basis may be granted by the Company for a period of up to six (6) years. These leaves to the employee's "local" shall be granted with full accredited service and the employee shall be eligible for group insurance at their own expense. Leaves of absence for Union activities may not exceed six (6) years. "Local," for the above paragraph only, shall be defined as: Any or all CWA locals which individually or collectively represent CenturyLink employees in the State of Wisconsin.

- 9.2.1 Granting of such a leave will be contingent upon reasonable notice of the request and the availability of a qualified replacement as determined by the Company. The maximum number of employees granted leave will also be determined by the Company.

- 9.2.2 A request to return to active employment must be made within thirty (30) calendar days prior to the termination of the leave. Employment will be terminated promptly at the end of the leave if the employee does not return to active employment.
- 9.2.3 Upon return from a leave of absence for Union activities, an employee shall be re-engaged in the former work **title** or in a job of comparable compensation. If no such vacancies exist in the former **job title** or in jobs of comparable compensation, the employee will be re-engaged in a different **title** at the applicable wage rate.
- 9.2.4 Upon return from a leave of absence for Union activities, the employee will be allowed full credit for the former period of active employment when computing the accredited service for purposes of all rights and benefits under the existing Agreement. No credit will be allowed for the period of leave. (This does not apply to employees on a "local" union leave of absence.) The employee's position on the wage guide at the time leave is granted will be the same position assumed upon return.
- 9.2.5 An employee granted a leave for Union activities will be ineligible for wages or benefits from the Company during the period of the leave.
- 9.2.6 The Company may ask the employee to submit a physical examination as a prerequisite of full rights of re-employment under this section.

ARTICLE 10 SUSPENSION, DEMOTION, OR DISCHARGE

The Company shall have the right to discipline, demote or discharge probationary employees in its sole discretion and to discipline, demote or discharge a regular employee for just cause to include such matters as employee's efficiency, conduct, application, or discharge of assigned duties, provided however, that such cases resulting in suspension, demotion, or discharge may at the request

of the Union be subject to Article 6 except cases involving discharge of employees whose accredited service is less than one (1) year may not be submitted to arbitration. Temporary and occasional employees may be disciplined or terminated in the Company's sole discretion without cause and without access to Articles 6 and 8.

The Company agrees to maintain one official personnel file for each member of the bargaining unit. Bargaining unit members shall be afforded the opportunity to review their personnel file upon request.

ARTICLE 11 WORKING SCHEDULES AND HOURS OF WORK

11.1 Scheduled Tours of Duty

11.1.1 The normal work week will consist of forty (40) hours of work and may be any forty (40) hours during the calendar week beginning with Sunday.

11.1.2 The normal day shall consist of eight (8) hours. The Company shall determine the starting and ending time of each tour. Regular part-time and part-time employees may be scheduled to work the actual number of hours for which their services are required.

11.1.3 The work schedule developed by the Company in thirteen (13) week periods will be posted or made available. The Company will endeavor to keep changes in the schedule to a minimum. Seniority will prevail in the selection of tours for all employees in a single job **title** of the same work group except when service requirements and qualifications necessitate specific employee assignment.

11.2 Four-Ten (4-10) Hour Tours

The Company for selected work groups may schedule the employees' normal work week in four-ten (4-10) hour tours instead of five-eight (5-8) hour tours.

The Union agrees to waive the provision calling for the payment of overtime after eight (8) hours when a four- (4-) day ten- (10-) hour work week is used.

The Company may present such work weeks to employees by seniority on an individual basis or to groups of employees.

The decision to accept a four- (4-) day ten- (10-) hour work week will be solely left with the employee(s) concerned and will be for a predetermined period of time.

11.2.1 Employees will be paid overtime for all hours worked in excess of ten (10) hours per day for their scheduled days and for hours worked in excess of forty (40) hours in any calendar week for which overtime has not been paid for on a daily basis. During weeks in which these employees are scheduled five (5) eight- (8-) hour tours for a calendar week, normal work schedules, hours of work and basis of compensation will apply.

11.2.2 Lunch meal periods (non-paid time) are thirty (30) minutes per tour as near the middle of the tour as practical.

11.2.3 There will be weeks during the year when the employee's scheduled tours will revert back to five (5) eight- (8-) hour tours for specific weeks. This will usually be done when the employee is scheduled for school, vacation or when a holiday falls during the week or when required to meet the service demands of the business. The second week in which an employee is absent sick paid would revert back to five (5) eight-hour tours.

11.2.4 Vacations - Employees normally scheduled four (4) ten (10) hour tours per calendar week will be considered on five (5) eight- hour tours during weeks selected for vacation.

11.2.5 Holidays - During weeks in which holidays fall, employees normally scheduled four (4) ten- (10) hour tours will be scheduled five (5) eight- (8) hour tours.

11.2.6 Employees scheduled for four (4) ten- (10-) hour tours will receive ten (10) hours of pay per scheduled day for paid absences due to death in the immediate family, jury and witness duty, and sickness.

11.3 Travel Time

11.3.1 Time worked shall be considered to include travel time from the designated reporting center to the job location, and travel time returning to the designated reporting center.

11.3.2 When an employee travels from one (1) job location to another in a conveyance supplied by the Company, such travel time will be considered to be the same as productive work time.

11.3.3 Employees traveling to Company sponsored schools outside of the operating area of the Company or from one (1) job location to another in a public conveyance, will be reimbursed for hours traveled to a maximum of eight (8) hours for the initial and last return trip. The Company will pay certain, applicable and reasonable board and lodging expenses incurred by the employee during such travel time.

11.3.4 Employees traveling to Company schools, or a job location within the operating area of the Company, will travel on Company time for the initial trip to the school or job location, and the last trip from the school or job location. Transportation will be provided by the Company for the interim weekend(s) unless the employee has elected the reimbursement option provided in Article 32.1.4. Employees will travel on their own time and expenses.

ARTICLE 12 WAGE RATES AND WORKING CONDITIONS

12.1 Wage Rates

12.1.1 Wage rates, working conditions, and other conditions of employment shall be in accordance with the terms of this Agreement.

12.1.2 The basic hourly wage rate assigned to each employee shall be determined by the following:

12.1.2.1 Wage Group applicable.

12.1.2.2 **Job title.**

12.1.2.3 The ability, application, and conduct of the employee.

12.1.2.4 Period of accredited service at a given wage rate in the **job title** currently applying.

12.1.3 For the purposes of wages and the application of wage groups, the assignment of a particular position title to an employee will be made in accordance with the type of work on which the employee is engaged the majority of time. An employee may perform work not normally coming under the individual's **job title**, but when an employee spends a majority of time on such work, consideration will be given to changing the individual's position title and rate to the proper **title**.

12.2 New employees may be employed at a wage rate commensurate with their applicable training, experience, and qualifications as determined by the Company on a wage guide applying to the **job title** in which the employee is engaged.

12.3 Wage Progression - The following subsections on Wage Adjustments and Wage Progression shall apply to Exhibit I:

12.3.1 During the first twelve (12) months of service of an employee, a merit increase may be granted to recognize experience or unusual ability; after the completion of twelve (12) months of service, any proposed increase above the normal progression

D

schedule shall be the subject of notice to the Union and a conference may be requested between the Union and the Company representatives if written notice is given by the Union to the Company within fifteen (15) days.

12.3.2 The Company agrees to grant scheduled wage increases specified in their appropriate schedules in accordance with the time intervals and amounts provided in such schedules, subject to the following conditions:

- 1) Wage progression/step increases will be effective based on the service anniversary date for active, full time employees and based on date last given for part time employees after the employee has worked 1040 hours.
- 2) Annual wage increases will be effective the first day of the pay period closest to the effective date of the increase.

12.4 Wage Treatment Upon Reclassification

12.4.1 Promotion – Continuous - Employees advanced from a lower **job title** to a higher **job title** will be treated as follows:

12.4.1.1 If the employee's rate on the new job would be the same as the rate on the employee's current job for an equivalent elapsed wage schedule time, no increase in the pay is involved. Subsequent progression increase will proceed from the date of the previous progression increase.

Employees reclassified to a higher wage schedule who formerly held a higher wage schedule position within twenty-four (24) months and who have the knowledge and ability to immediately perform the functions of the new position, will be compensated at the same progression interval as the

formerly held position. Cases exceeding twenty-four (24) months may be waived at the Company's discretion.

12.4.2 Lower Job- Continuous - Employees changed from a higher **job title** to a lower **job title** shall have their rate of pay reduced to that of the lower **job title** at the same position on the applicable wage guide. In the event the employee is reclassified to a position which the employee formerly held; the employee's wage shall be no less than the same progression step in that schedule to which the employee had previously progressed.

12.5 New Jobs Titles

Whenever the Company determines it appropriate to create a new job title in the bargaining unit, it shall be handled as follows:

The Company shall notify the Union in writing at least fourteen (14) calendar days before the new job title is implemented and shall provide the Union with a summary of the duties and the proposed wage rate or wage schedule.

The Union shall have the right, within fourteen (14) calendar days from receipt of the notice from the Company, to request negotiations concerning the initial wage rate or schedule. If the Union does not initiate such negotiations the matter shall be considered closed for the duration of the contract. If the Union initiates such negotiations, and the parties are unable to reach agreement within thirty (30) calendar days, either party may request arbitration using the Arbitration Procedure below. Failure to do so shall resolve the dispute on the basis of the Company's last proposal.

The Company shall have the right to implement its proposal while the negotiation and arbitration process is proceeding, but an arbitrator may award a retroactive wage adjustment if deemed appropriate.

Modified Job Titles

First, the parties agree that routine changes to operational procedures, equipment, and systems occur on a regular basis as a result of improvements in technology, processes, etc., and often change how job responsibilities are performed. These are not considered modifications to the job and do not require notice or bargaining with the Union. Should the Union disagree; the Union and the Company will discuss the issue prior to moving forward through the arbitration procedure. Any dispute about whether a change in procedures, equipment, or systems is routine and has minimal (in contrast to a substantial) impact must be brought by the Union within fourteen (14) calendar days of the date of the change using the Arbitration Procedure below.

Whenever the Company determines it appropriate to make a substantial change in the nature and scope of the work employees in an existing job title have historically performed, it shall be handled as follows:

The Company shall notify the Union in writing at least fourteen (14) calendar days before the changes are implemented and shall provide the Union with a summary of the modified duties and any proposed changes in the wage rate or wage schedule, if a wage adjustment is deemed appropriate by the Company.

The Union shall have the right, within fourteen (14) calendar days from receipt of the notice from the Company, to request negotiations concerning the proposed wage rate or wage schedule. If the Union does not initiate such negotiations the matter shall be considered closed for the duration of the contract. If the Union initiates such negotiations, and the parties are unable to reach agreement within thirty (30) calendar days, either party may request arbitration using the Arbitration Procedure below. Failure to do so shall resolve the dispute on the basis of the Company's last proposal.

The Company shall have the right to implement its proposal while the negotiation and arbitration process is proceeding, but an arbitrator may award a retroactive wage adjustment if deemed appropriate.

Arbitration Procedure for Disputes Over New and Modified Job Titles

Although the Company may create a new job title or modify the nature and scope of existing job titles, without bargaining, the effects of such actions shall be subject to final and binding arbitration according to this procedure.

If the dispute is whether the modifications in job duties or responsibilities of an existing job title have substantially changed the nature and scope of the work, the arbitrator may resolve that dispute. If the arbitrator finds that a substantial change has occurred, the issue of the appropriate wage rate or wage schedule shall be returned to the parties for negotiation.

If the parties are unable to resolve the issue of the appropriate wage rate or wage schedule for either a new job title or a modified job title as described above, the parties shall select an arbitrator following the procedure in Article 8. The parties further agree that within thirty (30) calendar days after selection of the arbitrator each party will submit its final offer position on the wage schedule to an arbitrator, copying the other party. These final offer positions may thereafter be changed only with mutual agreement of the parties. Notwithstanding the limitations on an arbitrator's authority under Article 8, an arbitrator selected under this procedure shall have the authority to choose between the two final offers and may also award retroactive wage adjustments. The decision of the arbitrator shall be final and binding.

If sufficient volunteers are not available, the Company may assign employees to standby duty in the inverse order of accredited service. Standby status may be assigned within the employee’s normal location, work area, as well as any areas, and regardless of supervisory or reporting relationships.

If such an Employee later **becomes covered under** another union that allows benefit accruals under the Retirement Plan, service earned with Local 4671 prior to the **move from Local 4671** will not be used to determine the Employee's Accrued Benefit in the Retirement Plan but such service will be considered for purposes of eligibility, participation and vesting, and not for accruing an additional benefit.

For purposes of this section only, "Legacy CenturyLink Employee" shall mean any employee of CenturyLink who worked at a CenturyLink entity (not including Embarq or Qwest) and who became an Eligible Employee or is eligible to become an Eligible Employee.

(c) Changes to Compensation, Monthly Compensation and Final Average Pay under the Retirement Plan.

- (i) **No Compensation or Monthly Compensation paid to or for the benefit of any Retirement Plan Participant ("Participant") who currently is,**

formerly was, or in the future will be, represented by Local 4671 will be taken into account for any purpose of the Retirement Plan after June 30, 2022 (the “Compensation Freeze Date”). As a result, each Participant’s Accrued Benefit will be calculated using Final Average Pay (and its predecessor, “Average Annual Compensation,” as each term is defined in the Retirement Plan) that is based only on Monthly Compensation paid to or for the benefit of the Participant prior to the earlier of (1) the Compensation Freeze Date or (2) the Participant’s Severance from Employment.

- (ii) This change is not intended to reduce any Participant’s Accrued Benefit determined in accordance with the terms of the Retirement Plan as in effect immediately prior to the earlier of (1) the Compensation Freeze Date or (2) the Participant’s Severance from Employment. If the changes to the Retirement Plan as described in this Section should cause a Participant to receive a Normal Retirement Benefit (as defined in the Retirement Plan) that is less than the Participant’s Normal Retirement Benefit determined in accordance with the terms of the Retirement Plan as in effect immediately prior to the earlier of (1) the Compensation Freeze Date or (2) the Participant’s Severance from Employment, the Participant will receive the Normal Retirement Benefit determined in accordance with the terms of the Retirement Plan as in effect immediately prior to the earlier of (1) the Compensation Freeze Date or (2) the Participant’s Severance from Employment.

19.3 The administration of the Retirement Plan and trust fund so as to provide the negotiated benefits shall be within the sole province and discretion of the Company. However, the preceding sentence shall not be construed to give the

Company the right to unilaterally change or defer pension benefits and provided further that the Company shall negotiate with the Union prior to making any change to those benefits.

19.4 The Company shall have the sole right and discretion to make changes in **the Retirement Plan** which it deems necessary to comply with legal requirements and/or to maintain the qualification of the **Retirement Plan**. The Company retains the right to make such changes in its sole discretion, as may be required to obtain a ruling from the Commissioner of Internal Revenue that the Retirement Plan qualifies under Section 401(a) of the Internal Revenue Code of 1986, as amended from time to time, and that the Trust implementing the **Retirement Plan** is exempt from taxation under Section 501(a) of said Code, to satisfy any applicable state or federal statute, regulation, ruling, court decision or other law applicable to said **Retirement Plan**, or to administer **the Retirement Plan** in an orderly and efficient manner. Nothing within this Agreement shall constitute an amendment to **the Retirement Plan**, which is subject to its terms and conditions and may only be amended in accordance with its terms and conditions. In the event of an inconsistency between this Agreement and the **Retirement Plan** document, the terms of the **Retirement Plan** documents shall govern. Administration of the **Retirement Plan** and, as described in Section 19.5 below benefit disputes are not subject to the grievance or arbitration procedure set forth in this Agreement.

19.5 The rights granted the Company under the provisions of this Article 19 shall not be subject to Articles 7 and 8 of this Agreement, with the sole exception of any dispute pertaining to the Employee's Credited Service date or eligibility for inclusion in the plan. All other disputes or complaints and any other issues arising out of or in any way connected with the **Retirement Plan** shall be exclusively resolved in accordance with the underlying **Retirement Plan** procedures and ERISA.

19.6. Lump Sum Benefit Payment Option

The Company may, at its sole option and discretion, amend the Retirement Plan to provide a lump sum benefit payment

option to Participants represented by Local 4671, effective as of the date specified in the Retirement Plan. Participants represented by Local 4671 who elect to receive their Accrued Benefit in the form of a lump sum must make their election within the timeframe and pursuant to the procedures established by the Plan Administrator for the Retirement Plan. Any lump sum benefit payment option will be based on the present value of the Participant's single life annuity benefit and calculated and paid solely as provided in the Retirement Plan and subject to the terms of the Retirement Plan. This Section is not, and is not intended to be, an amendment of the Retirement Plan which can only be amended by authorized persons designated by the Retirement Plan terms.

Notwithstanding any provision to the contrary, the decision to amend the Retirement Plan to provide a lump sum benefit payment option is within Company's sole and complete discretion. If the Company, however, amends the Retirement Plan to provide a lump sum benefit payment option, the Company may, subject only to the Retirement Plan's terms and applicable law, eliminate the lump sum benefit payment option on a prospective basis, even prior to the termination of this Section.

This Section shall terminate when the Agreement between the Company and the Bargaining Unit terminates. Thus, the Company may, unless contrary terms of the Retirement Plan, the requirements of applicable law or a subsequent agreement between the Company and the Union, amend the Retirement Plan to terminate this lump sum benefit option upon the expiration of this Labor Agreement. The continued application of this Section to any Participant and to any Accrued Benefit of any such Participant, regardless when accrued, shall be subject to collective bargaining and applicable law. The operation and administration of the Retirement Plan, the calculation of benefits, eligibility requirements, all terms and conditions related thereto and the resolution of any disputes involving the terms, conditions, interpretation, and administration of the Retirement Plan shall rest with the Company and its delegates, shall be determined only under the terms of the **Retirement Plan**, shall not be determined under the terms of this Agreement, and shall not

be subject to the grievance or arbitration procedure set forth in this Agreement.

21.2 Vacation/personal day hours are provided for all incidental absences from work and for the first five (5) consecutive scheduled workdays of a non-occupational disability related absence. The employee must use all available

vacation/personal day hours before hours can be taken unpaid, except in situations where FMLA-covered absences to care for covered relatives will exceed five consecutive days, or when the absence is Worker's Compensation related. In those cases only, the employee will have the opportunity to elect whether to take vacation/personal day hours or an unpaid absence. In all other situations, the employee will not have the opportunity to choose. If an employee does not have available vacation/personal day hours, those hours for which vacation/personal day hours are not available shall be non-paid.

- 21.3 Vacation/personal day hours will fall under two categories, either scheduled or unscheduled time.

Scheduled vacation/personal day hours are those hours selected by the employee in accordance with the vacation/personal day selection process or hours requested by the employee and approved by management. Scheduled vacation/personal day hours are included as part of the standard work week for overtime purposes.

Unscheduled vacation/personal day are those hours that are not pre-scheduled and are requested by the employee and not approved by management. Unscheduled vacation/personal day hours taken by an employee for pay purposes only shall result in an employee receiving an occurrence/tardy against their attendance according to the attendance policy. Unscheduled vacation/personal day hours are not included as part of the standard work week for overtime purposes.

- 21.4 An employee who is hired or transferred into this bargaining unit from any other Company facility or entity will receive vacation time as established under this Article 21, but when appropriate the vacation amounts established herein shall be reduced (prorated) to reflect vacation time (or its equivalent) previously credited for any part of the same period of time (anniversary or calendar year).
- 21.5 Vacations must be taken within the calendar year in which the right thereto has accrued. (This does not apply to vacation carryover.)

21.6 Scheduling of vacation shall take into account business needs and service requirements and then the preferences of employees. For bona fide reasons, the Company shall also have the right to cancel previously approved vacation. Consistent with the administrative needs of the business as determined by the Company, accredited service by job **title** in each exchange will prevail in the selection of vacations or vacation carryover.

21.7 For employees on a paid vacation schedule, the calendar year shall be divided into two (2) parts for purposes of vacation selection. Part I will be the first full week of May through the last full week of October. Part II will be the balance of the calendar year. An employee will be entitled to the following options:

- Select one (1) or two (2) weeks in Part I and the balance of the vacation in Part II, or

The Company reserves the right to determine the schedule of day-at-a-time vacation subject to the administrative needs of the business. Such days may be selected only after all employees in the vacation group have exercised their initial choice.

Day-at-a-time vacation may not be reserved during the months of June, July and August. However, such day(s) may

be granted (not reserved) at the discretion of the Company. Day-at-a-time vacation should be requested with a minimum of forty-eight (48) hours' notice and is subject to mutual agreement.

Employees selecting day-at-a-time vacation must have such day(s) scheduled by October 15.

The Company reserves the right to determine the schedule of half day vacation subject to the administrative needs of the business. Half day vacation should be requested with a minimum of forty-eight (48) hours' notice and approved by the supervisor.

21.9 Regular part-time and part-time employees shall accumulate vacation eligibility on the basis of continuous service. Pay for vacation will be granted in proportion to the amount of time they have worked per week during the previous calendar year. For part-time employees who will complete one (1) year of continuous service during the current calendar year, pay will be in proportion to the amount of time they have worked per week during the immediate twelve (12) months prior to the date on which the right to their vacation has accrued.

21.10 All earned vacation hours that are unused will be paid out at termination or upon retirement, except when an employee is terminated for just cause or resigns during an investigation into their misconduct. In the event of the death of an employee, all unused earned vacation time shall be paid to the estate. Should any vacation pay be due the employee, the Company shall have the right to deduct from said pay any money owed the Company by the employee, including costs or expense incurred due to loss of, destruction of, or damage to Company property and/or equipment.

If an employee's termination date is between December 26 and December 31, the employee will be entitled to receive pay for the full amount of vacation hours which would have otherwise been earned and taken during the next calendar year. Employees that terminate prior to December 26, for any reason other than retirement, will not be eligible for payment of any vacation which is being earned in the current year to be taken during the next calendar year.

A retiring employee will earn vacation during the calendar year in which they retire on a pro-rated basis for full months of service. This will be paid to the employee at the time of retirement. For example, an employee that retires on May 1 will receive pay for 4/12 of their vacation allotment.

- 21.13 Regular part-time and part-time employees who are reclassified to regular full-time employees shall be entitled to vacation benefits based upon their new accredited service date.
- 21.14 Vacation Carryover - Up to forty (40) hours of unused vacation hours may be carried over from one calendar year to the next. Carryover hours will be scheduled after the regular vacation schedule for the following year. Carryover hours must be used by the following December 31st or the time will be forfeited.
- 21.15 Vacation Banking – Employees may bank vacation up to the maximum number of weeks available to them each calendar year. Banked vacation may be accumulated up to a maximum of 240 hours. Banked vacation, taken for vacation purposes, shall be subject to supervisory approval. Banked vacation may also be used for the Short Term Disability waiting period and for any other FMLA qualifying event not covered by Short Term Disability. Employees must notify the Company prior to December 31st of their intent to bank vacation.

ARTICLE 22 SHORT TERM DISABILITY

22.1 The Company agrees to provide STD benefits for all regular full-time employees on a non-contributory basis. Regular part-time, temporary, or occasional employees are not eligible for STD benefits. The administration of STD leaves, including the application process and timelines, eligibility rules, notice requirements, return to work rights, and modified duty programs will be governed by the CenturyLink Disability Plan (the "Plan").

Employees qualify for STD benefits when they are participants who cannot work at their normal job due to an illness or injury incurred off the job, and satisfy the requirements as outlined in this Article but subject to the terms of the Plan which control and govern. STD benefits begin on the 8th consecutive calendar day (sixth consecutive scheduled workday) of non-occupational illness or injury for participants. Written medical certification shall be required.

Vacation/personal day hours are provided for all incidental absences from work and for the first five (5) consecutive scheduled workdays of **an occupational or non-occupational** disability related absence (STD waiting period). The employee must use all available vacation/personal days hours before hours can be taken unpaid. If an employee does not have available vacation/personal days hours, those hours for which vacation/personal days are not available shall be non-paid.

22.2 If employment is involuntarily terminated due to reasons including but not limited to reduction in work force, plant/office closure, etc., while the employee is receiving STD benefits under the Plan, the employee may continue to receive benefits until the earlier of either the Plan's benefits are exhausted, the employee fails to comply with the Plan's STD administrative requirements or the employee's doctor (or the IME doctor) states and the Plan agrees that the employee can return to work. If employment is involuntarily terminated for just cause, STD benefits may be terminated immediately.

22.3 The Plan Administrator may suspend or deny STD benefits if the employee fails to submit all forms/documentation as required, fails to comply with a Company request for an IME, or fails to comply with the requirements of the STD Plan. The

Plan Administrator may require such physical or other professional examinations from healthcare providers in accordance with the Americans with Disabilities Act, the Family and Medical Leave Act and/or any other applicable law or regulations as well as when an employee is claiming benefits or privileges under the Plan. The requirement for additional medical or other examinations shall include, but not be limited to, independent medical examinations to confirm a disability, circumstances in which an employee seeks disability or family leave and applies for or is receiving any benefits financed by the Plan; and “fitness for duty” examinations.

22.4 STD benefits under the Plan may be paid up to a maximum of twenty-six (26) weeks. The amount of pay (partial or full pay benefits) is a percentage of “base rate pay”. Base rate pay for the purpose of determining the appropriate STD benefit will be based on the regular straight time rate of pay. Base rate does not include incentive compensation, overtime, shift differential or other special payments or calculations.

a) For employees hired, re-hired, or transferred into this bargaining unit before January 1, 2019, the STD benefit under the Plan is either sixty percent (60%) or one hundred percent (100%) of the base rate. The percentage paid is based on the length of service with the Company. An employee’s service anniversary date determines the benefit payment schedule as identified in the chart below. The following STD benefit payment schedule is based on completed years of service as determined by the employee’s service anniversary date.

If your length of service is:	Then benefits at 100% of Base Salary are paid for:	And benefits at 60% of Base Salary are paid for:
Less than one year	None	None
1 yr but < 2 yrs	2 weeks	24 weeks
2 yrs but < 3 yrs	4 weeks	22 weeks
3 yrs but < 4 yrs	6 weeks	20 weeks
4 yrs but < 5 yrs	8 weeks	18 weeks
5 yrs but < 6 yrs	10 weeks	16 weeks
6 yrs but < 7 yrs	12 weeks	14 weeks

7 yrs but < 8 yrs	14 weeks	12 weeks
8 yrs but < 9 yrs	16 weeks	10 weeks
9 yrs but < 10 yrs	18 weeks	8 weeks
10 yrs but < 11 yrs	20 weeks	6 weeks
11 yrs but < 12 yrs	22 weeks	4 weeks
12 yrs but < 13 yrs	24 weeks	2 weeks
13 yrs or >	26 weeks	0 weeks

- b) For employees hired, re-hired, or transferred into this bargaining unit on or after January 1, 2019, the STD benefit under the Plan is seventy percent (70%) of the base rate. The following STD benefit payment schedule is based on completed years of service as determined by the employee’s service anniversary date.

If your length of service is:	Then benefits at 70% of Base Salary are paid for:
Less than one year	None
1 year or >	26 weeks

- c) A higher level of benefits does not take place if an employment anniversary occurs while receiving benefits or if the employment anniversary occurs before the employee returns to work for one hundred eighty-two (182) consecutive days after any STD benefit usage.
- d) STD benefits under the Plan cease on the earlier of when a) the employee is released by their provider, and supported by the Plan, to return to work, b) the employee fails to comply with the Plan’s STD administrative requirements, or c) the Plan’s benefits as described in this Article have been exhausted.

22.5 If you return to work for less than 182 calendar days following an STD absence, your previous STD benefits will be considered in determining the amount and maximum period of benefits. In other words, you will continue on the STD Benefit Payment Schedule described above based on your service at the first time you became entitled to Plan benefits.

If you return to work for at least 182 calendar days following an STD absence, your previous STD benefits under the Plan

will not be considered in determining the amount and maximum period of benefits. In other words, you will be eligible for the full benefit described above for any STD absence.

ARTICLE 23 WORKER'S COMPENSATION

- 23.1 The Company will provide all Worker's Compensation benefits required by statute to an employee who sustains an on-the-job injury.
- 23.2 For employees hired, re-hired, or transferred into this bargaining unit before January 1, 2019, the Company will provide an employee a salary continuation benefit (called **Supplemental Workers' Compensation Pay or SWCP**) equal to 85% of regular base pay when combined with an approved Worker's Compensation claim and statutory payment.

For employees hired, re-hired, or transferred into this bargaining unit on or after January 1, 2019, the Company will provide an employee a salary continuation benefit (called **Supplemental Workers' Compensation Pay or SWCP**) equal to 70% of regular base pay when combined with an approved Worker's Compensation claim and statutory payment.

For eligible employees that have completed one year of service, the salary continuation benefit is available up to a maximum of 1040 hours for a single disability beginning on the first day of approved absence. If the disability extends beyond 1040 hours, the employee may be eligible for Long Term Disability (LTD) benefits under the Plan. If approved as eligible for LTD under the Plan, the employees' Worker's Compensation benefit will be deducted from the employee's LTD benefit as an approved offset. Employees with less than one year of completed service are not eligible for SWCP.

Effective January 1, 2023, for eligible employees that have completed one year of service, the salary continuation benefit is available up to a maximum of 1040 hours for a single disability beginning on the eighth calendar day of approved absence. If the disability

extends beyond 1040 hours, the employee may be eligible for Long Term Disability (LTD) benefits under the Plan. If approved as eligible for LTD under the Plan, the employees' Worker's Compensation benefit will be deducted from the employee's LTD benefit as an approved offset. Employees with less than one year of completed service are not eligible for SWCP.

- 23.3 An employee is never entitled to more than 85%/70% of regular base pay while absent due to an on-the-job injury. Any overpayments made by receiving both **SWCP** salary continuation and Worker's Compensation benefit payments in excess of 85%/70% of regular base pay will be deducted from the employee's salary continuation check, regular **paycheck**, or are to be reimbursed by the employee to the Company. The employee receiving an overpayment is deemed to agree to the deduction from the employee's salary continuation check, regular **paycheck**, or to reimburse the Company.
- 23.4 **SWCP** payments of salary continuation benefits will be in accordance with the CenturyLink Disability Plan (the "Plan") and shall cease upon the earlier of a) an employee's retirement, b) discharge for just cause, or c) when employment would otherwise terminate because of reduction in force.

ARTICLE 24 ABSENCE FOR PERSONAL REASONS

- 24.1 Jury and Witness Duty - An employee who is absent because of jury duty summons or subpoena for service as a witness, will be paid for their absence. As a condition of payment, an employee who is excused from court duty either as a juror or witness, shall be required to report to their supervisor who in turn shall assign the employee for work such as may be considered reasonable under the circumstances.
- 24.2 Death in Immediate Family
- 24.2.1 Regular and part-time employees who have completed ninety (90) days of service shall be granted time off to attend a relative's funeral with pay

- c) Proof of death of the relative and attendance at the funeral may be required in the form of a statement from the funeral director or officiating clergyman.
- d) The term "funeral" as used in this Section shall also include a memorial service where one is held in lieu of a funeral. Probationary employees shall be granted such time off without pay.

24.3 Employees Holding Elected or Government Offices - The Company will continue a policy providing for reasonable time off for employees holding public elected or government offices.

24.4 Administrative/Personal Leave

An Administrative/Personal leave of absence without pay may be granted to an employee by the Company in its sole discretion and in accordance with the Company Policy. Administrative/Personal leaves may only be requested for an

absence of five (5) consecutive workdays or more and shall be limited to a cumulative total of thirty (30) calendar days in any rolling twelve (12) month period. Any extension beyond thirty (30) calendar days requires additional approvals from the Company. All available Vacation/Personal **Day** hours must be exhausted prior to going into unpaid status while on Administrative/Personal Leave.

24.5 Family and Medical Leave

The parties recognize the applicability of the federal Family and Medical Leave Act, and the Union recognizes the Company's right to establish FMLA policies and rules which are consistent with that law and/or any applicable state law as well as any express provision of this Agreement. These benefits are described and administered in accordance with the Company Policy.

24.6 Disability Leave

All employees who are not eligible for federal or state Family and Medical Leave, or have exhausted the maximum time available, are eligible for disability leave for recovery from bona fide disabling illnesses or injuries. This shall include, but not be limited to, independent medical examinations to confirm a disability, circumstances in which an employee seeks disability or family leave and applies for or is receiving any benefits financed by the Company; and 'fitness for duty' examinations.
4. Administration of leaves, including the application process and timelines, notice requirements, return to work rights, and modified duty programs will be governed by the Company Policy.
5. The Company maintains the right to modify or amend the administration guidelines described in the Company Policy at its discretion.

- 25.1.2 When a regular employee with one (1) year or more of accredited service receives military training during an earned vacation period, the employee is entitled to receive both vacation pay from the Company and pay from the Government.

- 25.1.3 When a regular employee with one (1) year or more of accredited service receives military training at a time other than an earned vacation period, the employee will receive the full amount of pay from the government and, if such pay is less than the wages or salary the employee would have received for normal straight time worked, the Company will make up the difference not to exceed ten (10) or eleven (11) such work days during a calendar year, depending, respectively, on whether the regulations for the particular branch of service provide for a two (2) week or a fifteen (15) day period. Government pay as used herein will be understood to include base pay, pay for length of military service, and pay for special qualifications for duty.
- 25.1.4 Employees will have the option of electing whether or not to combine their earned vacation period with the military training.
- 25.1.5 Scheduling of time off for military purposes should be arranged as far in advance as possible, and is subject to the administrative requirements of the business to the extent that leeway exists. Employees will be responsible for submission of substantiating documents such as a copy of the military order, proof of Government pay, and amounts.

25.2 Military Leaves

- 25.2.1 Military leaves of absence shall be granted to all regular employees entering active duty in the Armed Forces of the United States in accordance with applicable law, and shall be for such periods as are authorized by applicable law or Presidential order or proclamation.

- 25.4.2 A military allowance as outlined above will be paid to cover a period of one (1) month.
- 25.5 Military leave service will be counted as service with the Company for purposes of the Plan for Employees' Pensions, eligibility for vacation, sickness benefits, seniority for all purposes, and position on wage progression schedules.
- 25.6 Employees who are granted military leaves of absence under this Agreement and who, upon their return from military service, have re-employment rights under the law and apply for re-employment with the Company within the time prescribed, will be re-employed in accordance with the provisions of the law then in effect.

Employees granted leaves of absence to enter the Armed Forces who do not have re-employment rights under the law because of the length of their initial enlistment, but who otherwise satisfy, following termination of their initial enlistment period, the provisions and conditions of the law then in effect with respect to re-employment, shall be re-employed under the same terms and conditions of employment as those above, provided, in the judgment of the Company, there are jobs available for those employees.

26.1.2 An employee will not be eligible for the above payments if:

26.1.2.1 Offered and accepts employment in another exchange or department of the Company.

26.1.2.2 Offered a bargaining unit job in the same or higher wage schedule for which the employee is qualified in the same exchange location or within thirty-five (35) miles.

26.1.2.3 The termination is the result of any sale or other disposition by the Company of the exchange at which the employee is working or at which the employee is

assigned to work out of, when the employee concerned is continued in the employment of the new management of the exchange.

- 26.2 Termination allowance will be paid in a lump sum payment.
- 26.3 If an employee who has been paid termination allowance or is subsequently re-employed and again laid off, termination allowance in the instance of the second layoff, or any subsequent layoff, will be the difference between payment for which the employee is presently eligible and the amount which the employee may have received due to any previous layoffs.
- 26.4 To avoid layoff or displacement of employees to other locations and/or areas, the Company may first attempt to address workforce adjustments by offering voluntary termination, in seniority order, to employees in the affected job **title** (s) and location(s). Employees accepting an offer of voluntary termination will be paid the Termination Pay in accordance with Article 26 of this Agreement.

The Company shall at its sole discretion have the right to offer an enhanced termination allowance payment over and above the provisions set forth above if it deems appropriate. In the event the Company decides to offer an enhanced voluntary termination payment, the Company shall communicate its intentions and the details of the enhancement to the Union prior to extending any offer to employees.

ARTICLE 27 SENIORITY AND PROMOTIONS/TRANSFERS

27.1 Seniority

- 27.1.1 The application of the seniority provisions as hereinafter set forth, including the phrase "as determined by the Company" shall be subject to the provisions of Article 6 and Article 8.

27.1.2 An employee's bid will be considered except employees who at the time of the vacancy are in one of the following categories:

- a) Probationary and temporary employees;
- b) Employees who within the previous six (6) months have been returned to their former job because of failure to qualify on a job in the same **job title** as the vacancy involved;
- c) Employees who have not been in their present position for at least one year. With supervisory approval, employees with less than one year's service in their present position may submit a job bid.

27.1.3 Regular part-time and part-time employees shall be allowed accredited service for seniority in proportion to the basic hours worked.

27.2 Loss of Seniority

27.2.1 Except as otherwise required by law, seniority and employment will be lost by any of the following:

27.2.1.1 Any resignation from employment;

27.2.1.2 Any termination of a probationary, occasional or temporary employee, or any termination (subject to arbitration) of a regular employee for just cause;

27.2.1.3 Absence from work for more than the maximum period established in this Agreement for a leave of absence or layoff;

27.2.1.4 Failure to report to work on the first workday following the end of an approved leave of absence unless the employee has earlier received Human

Resources' written approval for an adjusted return date; or

27.2.1.5 Failure to comply with Section 29.

27.3 Promotions/Transfers

27.3.1 Job postings will be available on-line on the Company's internal website. Such notice shall include the title and job duties of the position available, the skills required for the position, the closing date for submission of bids, and the work location of the position. Only those job vacancies which the Company has declared to be a job vacancy will be available for bid.

Applications must be submitted electronically within the specified time period using the on-line application tool provided by the Company. The application shall contain a clear, concise statement of the employee's background, training and overall qualifications and the reasons the bidding employee should be considered for the position.

27.3.2 The Company will fill the vacancy with the candidate it determines to be the most qualified. In doing so, the Company will attempt to fill the vacancy internally from those employees submitting a job bid request. However, it is understood that the Company may also consider candidates outside the bargaining unit when filling those vacancies. In order to be considered a candidate for selection (either internal or external), the candidate must successfully pass any reasonable and job appropriate tests used by the Company for the position. If the candidate passes such testing, or if the Company elects not to use testing as part of the selection process, qualifications shall be determined by the total circumstances including work experience, performance (and any performance evaluations), applicable technical education and attendance. The Company may use other forms of testing, interviews and/or other reasonable methods of determining qualifications as herein defined. The position will be filled by the most qualified candidate from any source

as determined by the Company. Seniority will govern in the event multiple internal candidates are determined to be most qualified by the Company.

If the employee is not selected, the Company will meet and discuss with the employee the necessary skill sets and qualifications that are required and any additional below standards performance issues that need to be addressed. The Company will discuss and suggest avenues by which the employee can pursue in an effort for the employee to fill future job openings.

27.3.3 Qualified employees promoted or transferred will be expected to perform the new job after a familiarization period of not to exceed sixty (60) working days for job **titles** in Wage Groups 4-5 and one hundred twenty (120) working days for Wage Groups 1-3.

27.3.4 Any employee who twice within the past twelve (12) months has rejected a job offer will not again be considered for the same job for a minimum of twelve (12) months.

ARTICLE 28 FORCE REALIGNMENT

28.1 When the Company determines that a force realignment is necessary, which will result in a relocation of jobs within existing staffing levels, preference will be given in order of seniority to employees performing work functions affected, at the report center affected, who have the ability and qualifications necessary to do the job consistent with the needs of the business as determined by the Company. Where no employee is willing to accept the relocation, preference will be given in the inverse order of seniority when designating the employee who must relocate. The designated employee will be realigned to a job for which they are qualified within the same wage guide.

28.2 In cases of over thirty-five (35) miles, Article 29 "Force Adjustment" will apply to employees who elect not to accept the relocation to the new reporting center. An employee who

accepts a relocation in excess of thirty-five (35) miles and moves their primary residence to within thirty-five (35) miles of the new reporting center, shall receive a \$2,500 moving allowance.

28.3 The provisions of this Article do not apply to occasional and temporary employees.

ARTICLE 29 FORCE ADJUSTMENT

29.1 Should the Company determine that a reduction in work time is necessary due to adverse economic conditions or other reasons, it shall make such reduction among employees by a job title at each report center as hereinafter set forth where such provisions are practicable and consistent in order to maintain service and proper operations. Temporary and occasional employees will be the first to be laid off or given part-time work. Part-time employees will be the next affected in the inverse order of their seniority. Regular full-time and regular part-time employees will be the last affected in the inverse order of their bargaining unit seniority.

29.2 When, in the judgment of the Company, conditions make it necessary to reduce the workforce to the extent that it will result in a general layoff or the establishment of a part-time work program, or both, the Company agrees whenever possible to notify the Union thirty (30) calendar days prior to placing the program into effect.

29.3 Transfer and Bumping Privileges

29.3.1 Any regular full-time or regular part-time employee designated as force surplus shall have job transfer and/or bumping privileges.

29.3.2 The privilege of displacing a less senior employee to retain continued employment is at the election of the employee subject to the following considerations:

29.3.2.1 A force surplus employee not desiring to exercise bumping options does not

prejudice the employee's right for recall from layoff.

- 29.3.2.2 Force surplus employees will have a bumping privilege into **job titles** held during thirty (30) months prior to a layoff. In addition, force surplus employees will have a bumping privilege within the same **job title** or to a formerly held **job title**, in the same or lower wage guide. Employees must have the ability and qualifications to perform the job. Employees will have a brief familiarization period of not to exceed ten (10) working days. In determining "ability and qualifications" the Company may also consider the total circumstances including work experience and performance (including any prior performance evaluations), applicable technical education, attendance, the needs of the business, etc. All candidates will be treated equally with regard to criteria or selection used.
- 29.3.2.3 The least senior employee in the job title at the report center affected shall be the one who is displaced. If this is a full-time employee, the employee may displace a less senior (the least senior) regular part-time employee in the work group. That employee in turn then becomes force surplus and may exercise any privilege available under this Article.
- 29.3.2.4 Any moves associated with the bumping will be at the employee's expense.
- 29.3.2.5 If an employee affected in the surplus **job title** or **job titles** has a medical restriction or disability as designated by a doctor selected by the Company, the employee will be required to select a formerly held job title in which the employee can perform.

29.3.2.6 Whenever the surplus employee no longer has any bumping privileges available, the employee shall be laid off.

29.3.2.7 Company agrees to work with the Union for the purpose of helping interested force adjusted employees transfer back to their previous job.

29.4 Recall after Layoff

29.4.1 Employees who are laid off will be rehired, whenever practicable and consistent in order to maintain service and proper operations. When employees are recalled to jobs not previously held the recall shall be based on the employee's immediate ability and qualifications to do the recall job and the employee's accredited service date. "Ability and qualifications" shall have the meaning in Article 29.3.2.2.

29.4.2 Laid off employees shall be offered reinstatement before new employees are engaged in the same job title and exchange.

29.4.3 The Company is not obligated to recall former employees who have been laid off continually for more than six (6) calendar months. During the recall period, employees interested in recall must use the hourly self-nomination process.

29.4.4 The employee must be prepared to report to work within fifteen (15) days from the date of acceptance of a position, or from the date specified in any recall from layoff notice mailed at least seven (7) calendar days in advance to the last address listed in the employee's personnel file unless the employee has earlier received Human Resources' written approval for an adjusted return date.

29.4.5 Refusal to accept recall to a job not similar in nature to the normal occupation or work of the person shall not terminate recall rights; however, recall rights can

be lost upon refusal to accept an offer in a comparable job assignment.

29.4.6 When a laid off employee is recalled following a force adjustment, the employee shall be placed on the appropriate wage progression schedule in accordance with the following:

29.4.6.1 If the same job is available, the employee shall be placed in the same progression step of the wage progression schedule they were on at the time of the force adjustment.

29.4.6.2 If the employee returns to a lower rated job or to a higher rated job, the employee shall be considered as reclassified from the former job with wage treatment outlined in Article 12.4.

29.5 Bridging of service shall be as provided in Section 14.1.14 of this Agreement.

29.6 Any bargaining unit employee of the company who transfers into this bargaining unit as a result of a transfer from another bargaining unit shall have their seniority honored under the following conditions: Only time actually accrued in a company bargaining unit will be credited for seniority purposes. The bargaining unit from which the transfer is being made must have contractual provisions that provide for the same recognition of seniority under the same terms and conditions. Subject to the conditions listed above, the transferring bargaining unit employee shall be able to immediately utilize their transferred seniority for all uses of seniority.

29.7 Reclassification of Non-bargaining Unit Employees to Bargaining Unit Jobs - When it becomes necessary to enter employees outside the collective bargaining unit into a **job title** within the bargaining unit, these employees will take their proper place in seniority among the employees covered by this Agreement according to their accredited bargaining unit service as established by Company records.

29.7.1 The employees so transferred will not be afforded exceptional privileges, but rather will exercise seniority on the same basis as other bargaining unit employees. That is, seniority shall be equal to accredited bargaining unit service at the time of transfer.

29.7.2 Employees covered by this section will be assigned to a formerly held **job title** or to a **job title** that they are trained and qualified to perform.

ARTICLE 30 SAFETY PRACTICES

30.1 It is agreed that the Company will make every reasonable effort to provide the employees with safe working conditions and the Union will lend its support and encouragement to the practice of safety by employees.

It is the intent of the parties that no employee shall be required to work under conditions which are unsafe or unhealthy beyond the normal hazards inherent in the operation of the job in question.

It will be the employee's responsibility and obligation to maintain safety standards and to report any unsafe working conditions.

The Company will instruct its employees in safe methods and practices of performing their work through a definite safety program consisting of instruction scheduled on Company time in safety practices.

30.2 Safety Footwear – Employees with exposure to foot hazards as determined by the Company's Task Based Hazard Assessment for Personal Protective Equipment (PPE) and Safety Equipment must regularly wear safety footwear (safety shoes/boots) that meet the current national standards recognized by the Occupational Safety & Health Administration (OSHA) and internal CenturyLink requirements found in Safety & Health Practice on Personal Protective Equipment. The Company, in its sole discretion,

and in accordance with OSHA standards, will identify employees who will be required to wear safety footwear.

Employees identified as needing safety footwear will be required to wear safety footwear at all times when performing their work assignments. Those employees will have the choice of wearing steel toe or composite toe safety footwear as long as it meets the current national standard. The requirement to wear safety footwear will cease when employees leave the position through transfer, promotion, retirement, separation, voluntary resignation or dismissal, or when safety footwear is no longer required.

Since safety footwear can be utilized both on and off the job, employees are responsible for the purchase and maintenance of their safety footwear. For those employees that have only occasional exposure, a safety toe overshoe, at no cost, is available through the SAP/CART ordering process.

The Company agrees to reimburse current employees in the identified titles at the time of ratification of the **2020** labor agreement up to **\$200** over the life of the contract. Footwear must be purchased and expensed by February 2, **2023**. It is understood and agreed there shall be no further reimbursement for replacement or repair of safety footwear after the initial purchase. Further, employees hired or transferred into this bargaining unit after the ratification of this agreement shall not be eligible for safety footwear reimbursement.

- 30.3 Safety Eyewear – Employees in certain job titles and work environments may also be required to wear safety eyewear while at work. Employees who require corrective vision lenses must also wear safety eyewear, when required.

Effective 2/3/2017 the Company will provide an annual (calendar year) maximum contribution of \$75 for the procurement of one (1) pair of prescription safety glasses (or replacement frames or replacement lenses) for employees in positions which require the wearing of safety eyewear, subject to the following.

- 1 The Company will identify the job titles eligible for the company contribution for prescription safety eyewear.
2. Prescription safety glasses shall meet current ANSI standard Z87.1, and include protective specialty safety eyewear where the user requires a vision 'correction.'
3. The Company shall determine the supplier(s) for the procurement of prescription safety eyewear and reserves its right to identify the approved safety frame styles, lens materials, lens options and allowable optional upgrades. Each order for prescription safety glasses will include detachable side shields.
4. The Company contribution for prescription safety eyewear will only be provided through the designated supplier(s) for the procurement of prescription safety glasses. There will be no company contribution, subsidy or reimbursement for prescription safety glasses obtained outside of the designated supplier(s).

This supplier will bill the Company for the \$75 annual maximum contribution and the remainder of the expense for prescription safety glasses, if any, will be paid by the employee. Employees will be responsible for the cost of prescription safety glasses above the Company's annual contribution for additional or replacement pairs of prescription safety glasses, including frames and/or lenses. Employees will also be responsible for the cost of eye examinations.

Specialty safety eyewear that does not include a vision correction will be excluded from the company contribution for prescription safety eyewear.

The Company will make available, at no cost, non-prescription safety eyewear. Choices of non-prescription safety eyewear are available to employees through the SAP/CART ordering process.

ARTICLE 31 TOOLS AND EQUIPMENT

- 31.1 The Company will furnish, without cost to the employees, tools and work gloves considered necessary to perform their normal duties.
- 31.2 Any replacement of "body" or "hand" tools deemed necessary by the Company will be furnished by the Company without cost to the employee, except where negligence, loss, or willful destruction is apparent in which case the employee will be billed for the Company's replacement cost therefor.
- 31.3 Employees who are furnished tools by the Company will be held responsible for proper use, maintenance, and care of such tools, and will be held to an accounting of all tools furnished upon termination of an employee's services with the Company.
- 31.4 Effective 2011 and for the life of the Agreement, the Company will provide at its discretion either an appropriate number of uniform garments (as determined solely by the Company) or an annual credit for the purchase of approved garments through the Company authorized vendor to employees in those **job titles** which the Company deems appropriate. New hires in those **job titles** may receive additional uniform garments or a higher initial credit. The color, style, and material blend of employee work clothing will be determined by the Company for both uniform and non-uniform garments.

Employees will be required to wear uniform and non-uniform garments that are, in the Company's judgment, properly maintained and presentable. The wearing of uniforms will be mandatory during all work hours. Regular and all appropriate maintenance of an employee's uniform is the responsibility of the employee.

The Company shall have the unilateral right to modify, amend, or cease the uniform program at any time.

ARTICLE 32
BOARD AND LODGING AND IN-TOWN MEAL EXPENSE

- 32.1 Board and Lodging Expense for Employees - When an employee is assigned to work away from the report center which results in an overnight stay, as determined by the immediate supervisor, the employee is entitled to reimbursement of reasonable lodging expenses. Such reimbursements will be made in a timely manner.
- 32.1.1 Employees will receive reimbursement for the reasonable cost of meals as follows: up to \$60.00 per day while working away from home and living away from home. The cost of breakfast will not be reimbursed when the employee is traveling on paid time to the work location and the cost of dinner will not be reimbursed when the employee is traveling from the work location on paid time. Receipts are required for reimbursement.
- 32.1.2 Employees working in the operating area of the Company over three (3) hours from their report center, who elect to return home on Friday of an interim weekend, may receive reimbursement for an evening meal eaten.
- 32.1.3 Employees returning to Company schools or a job location within the operating area of the Company on Sunday of an interim weekend, and stay overnight, will be reimbursed a Sunday evening lodging expense, evening meal and a Monday morning breakfast. A lodging receipt is required for this reimbursement.
- 32.1.4 When an employee is entitled to board and lodging expense and commutes back and forth on their own time, with their own transportation, and at their own expense, the Company will reimburse the employee board, lodging and travel expense not to exceed the amount of \$31.00 per working day for the duration of the work assignment. This payment will be in lieu of the board and lodging allowance specified above.

32.1.5 When an employee is assigned to temporarily work in the exchange in which they live, no expenses will be reimbursed.

32.2 In-town Overtime Meal Reimbursement

32.2.1 Employees not receiving board and lodging set forth above, but who are performing overtime work after their scheduled tour, which results in their working eight (8) hours or more from their last meal period, or called out for emergency work which results in their working six (6) hours or more, will receive reimbursement for a dinner meal eaten in accordance with the following cost limitations:

Dinner **\$9.50**

A receipt is required for this reimbursement.

32.2.2 Employees scheduled to work a ten (10) hour tour of duty must work at least two (2) hours of overtime before receiving an in-town overtime meal reimbursement.

32.3 Travel Expenses Outside Operating Area - Authorized travel expenses of an employee assigned to work or attend school outside the Company operating area, will be reimbursed to the employee by the Company in keeping with reasonable current prices. Receipts are required for lodging reimbursement and may be required for other reimbursed expenses.

32.4 Long Term Lodging - Based on the needs of the business and where cost effective and feasible, the Company may provide long term housing arrangements for employees with appropriate charges billed directly to the Company.

For the duration of an assignment, employees will select the below options on a one time basis:

32.4.3 Board and Lodging as spelled out in the existing Agreement.

ARTICLE 33 TELEPHONE SERVICE

33.1 Subject to Company policy, regular employees (full and part-time) with six (6) or more months of service are eligible for a telephone concession benefit. It is recognized that the Company has the exclusive right to amend, modify wholly or in part this plan. The Company agrees, however, that any changes to the concession plan for bargaining unit employees will be equivalent to the concession benefits that are provided to non-bargaining employees at the same location.

ARTICLE 34 CONTRACTING AND TRANSFERRING WORK OUT

The company may subcontract bargaining unit work provided that such work does not result in the lay off or part-timing of any regular or full-time employees **in the job title and job location of those employees** who regularly perform the work. **Before any layoff or part-timing of regular employees can occur, the Company will reduce contracting to the extent required to accommodate employees in another location. If an employee elects not to displace a contractor, the Company may continue to use contracting in that location.**

The company may transfer bargaining unit work to employees in other Company locations provided it is for a bona fide business reason.

ARTICLE 35 DISTRIBUTION OF AGREEMENT & COLLECTIVE BARGAINING PROCEDURES

35.1 Prior to commencement of formal collective bargaining, the Parties shall mutually agree to the terms of payment for time spent in collective bargaining by employees who are

authorized Union representatives on the Union's bargaining team, the number of such representatives who shall be paid, the payment of joint Union-Company conference facilities utilized for collective bargaining and other matters related to collective bargaining.

- 35.2 The company agrees to have sufficient copies of this Agreement printed to provide a copy for each present and future employee in the bargaining unit and to distribute a copy to each such employee.
- 35.3 The Company will furnish copies of the printed Agreement to the Union in whatever quantities are requested and the Union to be billed for the actual cost of printing such copies plus postage for mailing.

ARTICLE 36 FEDERAL OR STATE LAW

Should any Federal or State law or regulations, or the final decision of any court of competent jurisdiction, affect any provision of this Agreement, the provision or provisions so affected shall be deemed to be amended so as to conform to the law, regulation, or decision, and otherwise this Agreement shall continue in full force and effect.

ARTICLE 37 DURATION

- 37.1 This Agreement shall become effective **January 11, 2021** and shall remain in effect until midnight **February 2, 2023** and shall continue in effect thereafter until termination by sixty (60) days written notice given by either party expressly stating to the other its intention to terminate the Agreement.
- 37.2 In the event either party gives the notice required by Section **37.1**, the parties shall commence collective bargaining within thirty (30) days after receipt of such notice by other party unless mutually agreed otherwise.

ARTICLE 38 RECOGNITION/INCENTIVES

At the sole discretion of the Company, employee recognition and/or incentive programs to honor exemplary performance, achievement of objectives, meritorious events, community service, etc., by employees, may be unilaterally developed, implemented, modified or deleted. Such programs may include, but not be limited to, cash payments, bonuses, or commissions and may be, at the individual and/or group level. The Company will notify the Union in advance of any newly developed, modified or expired recognition or incentive programs, however, both parties mutually agree to the above mentioned unilateral Company right. If and to the extent that any such recognition programs, incentive programs, individual bonuses, or commissions may be awarded, such award shall not constitute a binding precedent or practice with respect to any future recognition programs, incentive programs, individual bonuses, or commissions.

It is agreed and understood that all customer contact employees may be required to perform informal and direct sales work (**which includes referrals**) as part of their normal job duties. The Company has the right to establish sales incentive and promotional programs to stimulate sales of its products and services and will notify the Union prior to the implementation of any new program.

Automatic enrollment will be implemented as soon as administratively feasible.

- 4 The Company (defined as CenturyLink, Inc.) reserves the right at any time, and from time to time, by action of the Board of Directors, to modify or amend in whole or in part, any or all of the provisions of the Plan, but no such amendment or modification shall have the effect of reducing the accrued benefits of participants, retired participants, former participants or their beneficiaries or of diverting any part of the Trust Fund to any purpose other than for the exclusive benefit of participants, retired participants, former participants, or their beneficiaries and the payment of reasonable Plan administration expenses.
- 5 The Company reserves the right, by action of the Board of Directors, to terminate or partially terminate the 401(k) Plan at any time. In the event any revision in the 401(k) Plan is necessary to obtain or maintain a favorable

determination from the Internal Revenue Service, the Company will make the revisions, adhering as closely as possible to the level of benefits contained in the 401(k) Plan.

8. In the event any portion of this Agreement is determined by a court or government agency to be in violation of existing law or is voided by a change in existing laws, the Company retains the unilateral right to make whatever modifications it deems necessary and appropriate to comply with the law, including the right to rescind the Agreement, if it deems no such modification is feasible. The Company shall have no obligation to bargain or negotiate with the Union in the event that this Agreement is modified or eliminated or in the event the Company does not implement any or all of the provisions of this Agreement because it does not receive Internal Revenue Service approval, this plan is deemed not qualified, or because of a change in existing laws.
9. The 401(k) Plan will be administered solely in accordance with its provisions and no matter concerning the 401(k) Plan or any difference arising thereunder shall be subject to the grievance or arbitration procedures of the Collective Bargaining Agreement, but rather shall be governed by the terms and conditions of the 401(k) Plan and the interpretation of the CenturyLink Retirement Committee.
